**Exchanging
Sketches**

At the beginning of the exchange, each incoming student at the Academy of Fine Arts Vienna received a sketchbook from the International Office. The sketchbooks were filled in various ways like drawings, sketches, paintings, pictures, and poems.

At the end of the academic year 2022/23, the students were invited to choose some pages of their sketchbooks as a contribution to this publication.

This collection shall capture shared experiences and allow all students as well as staff members to keep memories of the exchange period.

A white envelope is positioned on the right side of a dark, textured background. The envelope is partially open, showing its triangular flap. On the right side of the envelope, there is a small rectangular label with a recycling symbol and the text "HIER UND JETZ". The background features a dark vertical strip on the left with a circular hole and a rectangular slot, and horizontal lines in the center and bottom. The overall scene is dimly lit, with the envelope being the primary light source.
