

Position available at the Institute of Architecture and Media of TU Graz, Austria

University Assistant (5 year contract, half-time, starting March 2017)

Prerequisites: Applicants must hold a University degree in Architecture

Desired qualifications: artistic, scientific and technical skills in the field of architecture and new media; special interest in the areas information visualization, rapid prototyping and interaction design, media installations and immersive environments; didactic talent in the application of interdisciplinary working and learning methods; ambition and capability to further develop the institute's media laboratory and to contribute to the teaching of the institute, ranging from simple CAD applications to complex audio-visual concepts; programming experience; good command of English; ability to work in a team.

The position is half-time (5 yr. contract) and offers the opportunity to teach and undertake research at the institute and its facilities, which include a digital workshop and a media laboratory. Candidates are expected to write a doctoral thesis in the field of design computing.

Compensation is based on category B 1 in the collective contract of Austrian University employees („Kollektivvertrag für die Arbeitnehmerinnen/Arbeitnehmer der Universitäten“); minimal salary in this category at 50% is currently € 1.348,25 brutto (14× per year). In accordance with the provisions of the contract this salary may be increased based on candidates' prior experience.

Applications (including CV and portfolio) must be submitted by **January 25th 2017** to the Dean of the Architecture Faculty, Univ.-Prof. Dr.-Ing. Stefan Peters, Rechbauerstraße 12, 8010 Graz

Applications can also be sent via email to dekarch@tugraz.at
