Welcome: Center for Doctoral Studies

Welcome to the Academy of Fine Arts Vienna and the Center for Doctoral Studies.

The Center for Doctoral Studies is the main organizational interface unit for doctoral/Ph.D. students and supervisors at the Academy of Fine Arts Vienna. If you have questions regarding the doctoral study/Ph.D. programs, scholarship applications, and the support and services offered by the Center, please feel free to contact us.

The Center for Doctoral Studies is at your service for the whole duration of your study. Besides offering and organizing workshops, grants and scholarships, the Center for Doctoral Studies also provides support for external grant applications. You can find all information regarding the offers and activities at the Center's website: <http://www.akbild.ac.at/Portal/kunst-forschung/doktoratszentrum>.

Further we would like to make you aware of the newsletter Art | Research. This newsletter informs about calls for scholarships, papers, conferences, events, and other news relevant to doctoral students. The section DOC-News informs about current activities of the Center of Doctoral Studies, e.g. workshops or grants, but also offers information about external scholarship deadlines and calls that explicitly address doctoral/PhD students. The newsletter is published regularly and will be delivered to your academy-e-mail-address. It can also be accessed here: https://www.akbild.ac.at/portal_en/research/art-research-service/research-newsletter.

For an appointment please contact me via e-mail doktoratszentrum@akbild.ac.at or via telephone 01 588 16 1115.

We wish you the best of luck and success with your doctoral studies.
